

The Well Experience was birthed out of the sermon preached by Rev. Dr. B. De Neice Welch, entitled, The Little Girl. The Sermon is life changing. The sermon provides the listener with the opportunity to spiritually reflect, dissect and project. After hearing the sermon several “first” times, I was so moved by the discussion afterwards with Rev. De Neice that I asked her if she would be willing to teach this lesson to women throughout the city, she agreed, thus the Well Experience Ministry was born, and the Well Experience weekend planning began.

Why the Well Experience is not your average Women’s Conference. A Conference by definition is a formal meeting for discussion, the Well Experience has been designed to promote deep spiritual introspection of who we are and why, as daughters, sisters, wives, mothers, granddaughters, nieces, cousins and friends. The presence of each woman that will attend the conference and it’s workshop facilitators have been prayed for and careful thought and consideration has been given for the move of God on each of you (us).

Thank you for accepting an invitation to be apart of The Well Experience as a facilitator and one that will pray for the growth of your Sisters in Christ.

The cost of the weekend is \$99
